

Deluxe Loft Ladder

Two-section sliding loft ladder is made from aluminium. Designed for regular use. The Deluxe has two handrails for complete safety and fits openings from 686mm x 508mm.

- » Deep, slip resistant treads
- » Spring assisted pivot arm for smooth gliding action
- » Can be used for a wide range of loft-to-floor heights
- » Ladder attaches to loft hatch for easier loft withdrawal
- » Full fitting instructions supplied
